Insert individual after Each at the beginning of the sentence.

Local Unit Bylaws
Article V, Section 4

+SECTION 4. Each individual member of the association shall pay annual dues of insert dues here to the association. Such annual dues includes the portion of seven dollars and twenty-five cents (\$7.25) per member payable to the Oregon PTA and the portion of one dollar and seventy-five cents (\$1.75) per member payable to National PTA. One dollar and seventy-five cents (\$1.75) shall be forwarded by Oregon PTA to National PTA for each member of a local PTA/PTSA unit. Council dues shall be paid according to council bylaws.

Rationale:

* This is a matter of clarification. Robert's rules of Order Newly Revised establishes that membership is one voice, one vote.
