

Oregon PTA Special Election Announcement

In addition to the regularly scheduled election of officers, a special election needs to be held for the position of president-elect. The person elected to this position last year has resigned and, according to our bylaws, this position cannot be appointed by the board of directors. The individual elected as president-elect will take office immediately after the election results are announced and will assume the office of Oregon PTA President on June 1, 2011.

In order to run for this position, a candidate must give written notice to Oregon PTA at least 14 days prior to the first general session at convention of his/her intention to run from the floor. This deadline is 9 a.m. on April 9, 2010.

For more information please call Oregon PTA at 503-234-3928 or email or_office@pta.org.
